We will need a person to watch and keep score of the games as they are played, and report score to event director.

Two courts are played at the same time which will require a volunteer score keeper at each court during play.

We will have score sheets to fill out for the volunteer and show how the keep score if needed. Also, we would like a volunteer to help give out medals and organize for picture- event director usually does this but helpful to have another volunteer to make the process go smoothly.

NOTE: Volunteers will receive a Volunteer T-shirt indicating that they volunteered for the Northern Virginia Senior Olympics. Also, no relevant skills or experience is required as the Event Director will provide training and orientation.
